IN MEMORIAM.

In memory of my dear mother, Mrs. Bell Mosely, who died October 13, 1917.

What is home without you, mother,
What are all the joys we meet;
Since your loving smile no longer
Greets the coming of our feet?

The days are long, the nights are dreary,
The time rolls slowly on;
And Oh, how few are life's pleasures
Since you, dear mother, have gone.

Friends may think the wound is healed,
But they little know the sorrow
That lies within my heart concealed.

Sadly missed by

THE AMERICAN WOODMEN.

Phenomenal and Continued Success Being Achieved for This Great Order by Mr. N. S. Adkins, the Hustling and Affable Special Deputy for this City.

Mr. N. S. Adkins, deputy of the American Woodmen, has secured the application of another educator in the person of Prof. H. L. Cox, principal of Wendell Phillips school, and is now serving his third term as principal of this school. There are few men in his class in the state of Missouri. Prof. Cox is a graduate of Howard university, Washington, D. C., and Kansas City is indeed fortunate in having secured him as an educator. Likewise, the American Woodmen are happy to number him as one among them.

Rev. A. Moore, who is now serving his second year as pastor of Gallilee Baptist church, is a graduate of Central Texas College, and received his training as a theologian at the Dr. Brown Theological Institute, Austin, Tex. The American Woodmen certainly appreciate the smiles that dawned upon his face when he was elected.

We are pleased to announce that Mr. M. W. W. Woden is numbered among our new policy holders. He has taken a wise 'step, and we are happy indeed to extend him the hand of fellowship.

Mr. N. S. Adkins is wearing a golden smile these days, over the many influential men he has managed to secure as members of the American Woodmen. He is seen going about the streets laboring hard to add these good numbers to his order. He has no regret for the past and no fear for the future. Watch the Kansas City Sun.

Mr. W. H. Garrett, a splendid and exemplary young man, a member of the Y. M. C. A., is now numbered among us. We are proud to have him and ere long he will be proud to have us. Follow his noble example.

Rev. S. W. Toles and Rev. N. T. Lane, two gospel giants here from "Dixie," are numbered among our newest policy holders. These divines have promised Mr. Adkins to help develop Woodcraft here. We know they will keep their promise, and we would be so grateful for more men of their stamina and ability.

Prof. W. H. Harrison, who is now serving his third term as principal of Attucks school. Prof. Harrison has had eighteen years of experience in this work. Kansas City is fortunate indeed to have an educator like him and the American Woodmen likewise.—Adv.

A voice we loved is stilled,
A place is vacant in our midst
